

RIBBON-CUTTING CEREMONY

Let the chamber help you celebrate your Grand Opening in style by doing a Ribbon Cutting for your organization. The Chamber will advertise your Grand Opening in all of our publications, on our website and on our social media channels. We will bring the ribbon, ceremonial scissors and take the pictures. We will have members of the Chamber attend, as well as special guests from the community and/or the City of Hillsboro and/or Washington County. All will be on hand to help cut the ribbon! A picture of your ribbon cutting will be shared on social media following your event.
